

EAA Property Line Affidavit Form

I, _____ (name of affected owner) at
_____ (address and/or lot number of affected owner)
gives permission for _____ (name of new well owner)
for a new well located at _____ (address
and/or lot of new well owner) to be located within _____ feet from my property line. I
understand the well location does not meet the Edwards Aquifer Authority rule § 713.209, Location of
New Wells, as defined below:

(a) Aquifer wells shall be located a minimum horizontal distance of 50 feet from any watertight sewage and liquid-waste collection facility, except in the case of monitoring, dewatering, piezometer, and recovery wells, which may be located where necessity dictates.

(b) Except as noted in §§ 713.211 and 713.235, an Aquifer well shall be located a minimum horizontal distance of 150 feet from any concentrated sources of potential contamination such as, but not limited to, existing or proposed livestock or poultry yards, cemeteries, pesticide mixing/loading facilities, and privies, except in the case of monitoring, dewatering, piezometer, and recovery wells, which may be located where necessity dictates. An Aquifer well shall be located a minimum horizontal distance of 150 feet from an existing or proposed septic system absorption field, septic system spray area, or a dry litter poultry facility, and 50 feet from any property line provided the well is located at the minimum horizontal distance from the sources of potential contamination listed in this section.
